

Springbank Dancers Inc.

- Student Teacher Program (STP) –
NEW Student Teacher Application
2011 / 2012 Dance Season

Overview:

The Student Teacher Program (STP) at Springbank Dancers offers students 14 years and older the opportunity to work closely with and learn from other teachers. It is a start to learning the fundamentals of sharing their knowledge and love for dance with those younger and/or more inexperienced than themselves.

The Student Teacher Program allows more senior dancers to work in the dance room and be integrated into the structure of the class as a teacher and demonstrator. Springbank Dancers will also provide training sessions with Miss Devon and/or other instructors to learn teaching techniques and roles outside the class.

The participation in this program is initiated from application only and is free of charge, however the time and effort you put in as a Student Teacher is volunteer. The rewards in the experience and learning, as well as the positives of volunteering are endless!

Requirements:

- Must be 14 years of age as of September 1, 2011
- Willing to volunteer a minimum of two hours a month and commit until the end of the dance season

Application:

All inquiries should be made directly to Miss Devon at (403) 276-7918.
